Adapting Books Assistive Technology Continuum

LOW TECH

**Physical Access to Text**

< Page Fluffers – pieces of foam/weather stripping/sponge, giant paper clips, snack bag clips, clothes pins, etc. are attached to pages of a book to create spaces between pages supporting physical access by small hands or students with physical challenges

**Physical/Visual Access to Text**

< Page holders (TOP) Page Up (MTM - Minstrel Trading & Marketing, Corp., $6.00 each/minimum purchase of 5, small footprint but holds large papers), and (BOTTOM) acrylic cardholders (Maddak, Inc./Ableware® - purchase at ILS -Independent Living Aids, $5.95); also look for clear picture holders (office supply) - to hold story pages, schedules, directions, vocabulary words, math tables, etc.; place in page holder on desk for continuous access; student can manipulate cards to create sentences, number problems, etc. if writing is difficult

- **Enlarge text on photocopier** - can place in card holder on desk or use to make an enlarged adapted book

**Visual Focus/Enhancement**

< Highlighter tape (Lee Products - Crystal Springs Books) - removable; same as correction tape but comes in many colors; emphasize words/phrases in text; laminate to make a student reading guide that highlights/focuses in on text; $1.25/roll

< Plastic signature guide and writing guide – (ILA) use to frame text as read;$3.49 writing guide; $2.50 signature guide

< Bar Magnifier w/ yellow guiding line (ILA) - 6" is $3.95 & 9" is $4.95

- **Magnifiers** - sheets, bars, hemisphere styles; many bars have a yellow highlighter section down the middle to emphasize words/phrases in text

< Reading Helper (A.D.D. Warehouse) - white plastic strip with yellow highlighting down the middle to help students track text as they read, 10 for $13.95

- **Reading Ruler** (Crystal Springs Books) - reading/writing guide; one side highlights text in yellow while reading; other side serves as a writing guide; 10 for $12.95

- **Laminate highlighter tape** - to make your own “reading rulers”

- **Make your own frames to enhance visual access to text/images** out of oaktag, cardboard, fun paper plates, etc.

< Page Flags (Redi-Tag, office supply) – Removable; use to emphasize words/text, etc.

- **See It Right or other colored transparencies** (See It Right, office supply – used to correct specific visual perceptual problems; place transparency over text to be read; students try different colors to determine the color that best supports their reading

< Word Whackers (Crystal Springs Books) – plastic “fly swatter” for framing words; cut out sections to fit the size of text to be viewed; $.95 each
Boston Public Schools Access Technology Center

< Word rings - create your own from index cards, can laminate; or purchase pre-made packages (Top Notch Teacher/school supply)– words, words & definitions, words & pictures, states & facts, etc.

Words in a bottle – put laminated words in a plastic bottle for easy access

Transparent pencil cases – come with holes for a notebook or hanging style (like travel bath cases); hold letter or word cards

< Chicken rings (Crystal Springs Books) – small plastic rings used to attach a story page or student work to hangar or other object to present information or student work (Crystal Springs Books)

< Inquiry Box (make it yourself) - Access Tech has developed a fun, inexpensive, interactive, multi-purpose teaching/learning tool for the classroom using a cardboard mailing carton. The box has plastic page protectors/pockets on all 6 sides, allowing you to address a wide variety of content areas by inserting pictures, words, numbers, etc., inside the pockets to be used in a variety of creative ways. The Inquiry Box handout provides directions for making the box and strategies for its use.

Interactive/Kinesthetic Access to Story Text Through Symbols/Props

Velcro (AliMed offers discounts to schools) – attach letters, words, sentences, etc. on ruler/yardstick or garden gloves/mittens for interactive lessons

< Velcro enhanced books – copy or cut out graphics from books; attach velcro to picture and book for interactive lessons; purchase commercially made Velcro books, e.g., Interactive Stories (Mayer-Johnson, $19.00)

Props – story characters/objects that can be handled, e.g., fabric props or props printed on card stock, laminated, attached to paint sticks/tongue depressers/popsicle sticks; all can be backed with Velcro or magnetic material for interactive activities

Puffy Paint – thick, textured paint that makes drawings/props Tactile (Joanne's Fabrics, PlayTime)

< Veltex/soft fabric –(Fabrics & Fasteners, self-adhesive also; fabric stores) - use Veltex or other soft fabric to create bulletin boards, fabric boards/books, gloves/mittens, etc. for interactive word/number play with Velcro backed symbols/props (Discount School Supply for gloves/mittens, when available; Storytelling Book Tote $4.57; Storytelling Set $9.97 )

Magnetic picture frames – all sizes; to hold pictures/words

Magnetic sheets/business cards – can be cut as needed to create numbers, letters, words, sentence strips; put on cookie sheet, metal ruler/yardstick (use also as visual/reading supports)

< Sentence Strips & Objects/Symbols - on Veltex/soft fabric pouch board; store words/sentences, etc. inside the pouch (LynJan Solutions 17" X 4" - $15; 17" X 12" - $30 )
MID TECH

< Talking Photo Album – Places pictures/story pages in the plastic sleeves and record up to 24 pages of speech (Augmentative Communication, Inc.; $29 for photo album, $45 for album with idea book that is also available; can also be found sometimes at large discount stores)

< Dictionary/Speller & Talking Dictionary/Speller (Franklin Electronic Publishers) – promote reading support for student independence; HomeWork Wiz ($24.95) & Talking Homework Wiz ($49.95) for primary & early elementary; Merriman Webster Dictionary & Thesaurus ($59.95) or the Speaking version ($79.95) for upper elementary to high; Speaking Spelling Ace ($59.95) with no definitions/synonyms is good for test-taking; all upper level devices offer a BookCard feature to add in encyclopedia, bilingual dictionaries, etc.

< Time-Timer (Generaction, Inc.) - elapsed time visual clock that counts down time through a red dial that gradually disappears; 3” ($25), 8”($25) and 12” ($35) sizes

• Recording for the Blind and Dyslexic - Subscription service that provides audiotapes & audio CDs of books; annual membership fee; equipment costs are extra; $300/yr. for small school - $800 for large school.

HIGH TECH

Alternative Book Formats or Extension Activities with Software

• Screenshots – capturing graphics from the web, etc.
• Story slide shows – Kid Pix Deluxe, ClarisWorks/AppleWorks, PowerPoint
• Inspiration/Kidspiration (Inspiration Software) - graphic organizer software
• Picture It & PixWriter (Slater Software) & Writing With Symbols (Mayer-Johnson, includes Mayer-Johnson Picture Communication Symbols; easy to add graphics) - rebus/text programs to add pictures to text, create sentence strips, word rings, etc.
• Word (MicroSoft) - insert graphics to create stories
• BoardMaker (Mayer-Johnson) - Picture Communication Symbols software; create stories with text/symbols; picture dictionaries, supplement text with symbols, substitute text with symbols, etc.
• The BookShelf (SoftTouch/KidTech) - authoring program to create a library of computer-based, accessible talking books for students with intensive needs

< Alternative Keyboard, e.g., IntelliKeys Keyboard (IntelliTools, Inc.) - use with software, e.g., IntelliPics Studio - multimedia software, IntelliTalk II - talking word processor with authoring features to make a variety of lessons/graphics, OverlayMaker - create computer overlays & off computer activities

• Text-to-Speech: Shareware, e.g., Tex-Edit (Mac) & Read Please (PC); some commercial word processors have text-to-speech features, e.g., IntelliTalk II and Write Out:LOUD (Don Johnston) - read text aloud & highlight words as spoken
• Text readers - e.g., Kurzweil 3000 (Kurzweil Educational Systems), eReader (CAST), Read & Write Gold (TextHelp) - read all text files, e.g., from the web, scanned, etc.
• Electronic books, e.g., Start-to-Finish Books (Don Johnston, Inc.) – high interest, low reading level kits - paperback, audiobook, & CD (2nd/3rd grade level or 4th/5th grade level)

Electronic text (etext) – text files found online, scanned, etc., to use with text readers
